CELEBRATING 15 YEARS OF MAKING MUSIC

- with Special Guests -

In the last 15 years **The City of Bath Male Choir** has represented the City of Bath across the UK and the World! The Choirs success on reaching the final stages of the BBC1 Saturday night 'Last Choir Standing' attracted an audience of millions. It was also repeated on the BBC World Service.

Tours by the choir have included Holland, France and Germany including a performance at the Menin Gate, Ypres, WW1 Centenary service in front of 1000s of visitors. In 2014 they were the first British amateur choir to visit Japan, a hugely successful 8 days, and then in 2019 the choir delighted audiences in Boston, USA. Later this year (2022) Bath Male Choir will be in The Musical City of Nashville for what will be another memorable visit.

This celebration concert, on Sunday October 9th, will start at 5pm, doors open from 4.30pm. The Choir will be conducted by founder Grenville Jones and his son Laurie, who became Deputy Conductor earlier this year when the 'boys from Bath', returned to singing after lockdown.
